**Narrative**

On Friday, June 16, 2017, at 2223 hours, I received a call via dispatch regarding a Physical Assault Recent at Cascade Behavioral located at 12844 Military Rd S.

It should be noted, Cascade Behavioral is a secured mental health facility which houses both voluntary and involuntary patients.

The comments of the call stated a female patient had been hit by another patient inside the dining room of the location.

Upon arrival on the scene, I met with Charge Nurse [REDACTED] in the 3 west section of the facility.

[REDACTED] stated she was working behind the nursing station when she heard yelling coming from the dining room. [REDACTED] stated she rushed to the dining area where she observed patient [REDACTED] crouching on the ground. [REDACTED] stated another patient [REDACTED] was standing over [REDACTED]. [REDACTED] stated she observed [REDACTED] reach down and "sock" (punch) [REDACTED] one time to the right side of the head. [REDACTED] stated [REDACTED] was holding her arms over her head in an attempt to ward off the blow. [REDACTED] stated she called out a "code grey" and requested additional staff to the dining room to assist in breaking up the fight. [REDACTED] stated additional staff arrived shortly after and [REDACTED] and [REDACTED] were separated. [REDACTED] stated she believed the altercation had started as the result of a dispute over headphones.

[REDACTED] provided me with a recorded audio statement.

I spoke with Cascade Behavioral patient [REDACTED]. [REDACTED] stated he had been standing outside of the dining area when the altercation occurred. [REDACTED] stated both [REDACTED] and [REDACTED] had been inside the dining area when [REDACTED] suddenly grabbed the headphones [REDACTED] had been wearing off of her head. [REDACTED] stated [REDACTED] then punched [REDACTED] twice, first to the head and then to the stomach. [REDACTED] stated [REDACTED] fell to the ground and [REDACTED] proceeded to kick [REDACTED] once.

I spoke with [REDACTED]. [REDACTED] stated she had been sitting inside the dining area when she overheard [REDACTED] asking the staff for some milk. [REDACTED] stated she had some milk and offered it to [REDACTED]. [REDACTED] stated [REDACTED] suddenly became very angry and began punching her. [REDACTED] stated [REDACTED] punched her twice, once to the right side of her head. [REDACTED] stated she could not recall exactly where she was struck with the second punch. [REDACTED] stated she believed [REDACTED] was angry because she wanted the headphones which [REDACTED] had been wearing when this incident occurred.

I observed possibly slight swelling to the right side of [REDACTED]'s face over her cheekbone. I took several photographs of [REDACTED]'s head as evidence.

[REDACTED] provided me with a recorded audio statement.

Cascade Behavioral led me to [REDACTED] who was sleeping in her room.

I placed [REDACTED] into properly fitted double locked handcuffs and informed her she was under arrest.

I advised [REDACTED] of her rights per Miranda. [REDACTED] stated "yeah" when I asked her if she understood her rights.

[REDACTED] stated she became angry when [REDACTED] offered her milk and began to laugh at her. [REDACTED] stated because she was angry she punched [REDACTED].

A name check of [REDACTED] revealed her to have a warrant out of Tukwila Police Department under warrant number 720516076.

I confirmed the warrant as still outstanding via Tukwila Records Division.

I transported [REDACTED] to SCORE Correctional Facility where she was accepted in good health by the attending SCORE Staff and booked for her warrant.

I completed criminal citation number 720383895, charging Lucious with RCW 9A.36.041, relative to Assault 4th Degree.

Any additional information will follow in a supplemental report.
